

MDS is pleased to announce Carolyn Swanson as
Director of Client Services

Carolyn Swanson
Director of Client Services
Dallas, Texas

Carolyn will oversee all aspects of Client performance and service delivery for our clients. Working in conjunction with our Operations leadership, she will serve as point of contact for MDS' client hospitals throughout the United States. Ms. Swanson was previously Senior Director of Revenue Cycle services with Conifer (Tenet) Health Solutions. Prior to joining Conifer, she served four years as a Patient Financial Services Director for Community Health Systems and held Central Business Office Director positions for Mid-Carolina Cardiology Group, Novant Health and Hospital Corporation of America over a period of 15 years.

Carolyn is an active member of AAHAM's Texas Bluebonnet Chapter and serves as Education chair as well as an active HFMA member. She holds a Bachelor of Business Administration degree from Montreat College in North Carolina.

MDS is nationally recognized as a leader in revenue cycle management. For over 26 years MDS has partnered with both small community hospitals and some of the largest respected health systems across the nation. With our tenure comes true understanding of the provider's objectives and our client service is simply unparalleled.
